

About Majlis

Since its inception in 2006, Majlis Mohamed bin Zayed has served as a collaborative platform instrumental in fostering dialogue and mutual understanding while reaffirming the profound value of intellectual exchange. It enables individuals to drive impact through discussions on topics of importance to the UAE and its people, as well as the broader international community.

Exchanging ideas in the pursuit of knowledge

Our purpose is to create opportunities that foster genuine understanding, inspire innovation, and drive meaningful contributions that shape a future in which prosperity and peace flourish.

FAQ

What is the purpose of the Majlis? Majlis Mohamed bin Zayed enables the people of the UAE to contribute to the nation's collective progress through authentic and impactful discussions on topics that matter.

Where do the Majlis sessions take place? Majlis sessions are held primarily at Sheikh Zayed Grand Mosque in Abu Dhabi. On selected occasions, sessions are held at other locations.

What topics are discussed in the Majlis? Session topics cover society, values, and traditions; education and lifelong learning; the future of health and wellbeing; innovation and technology; sustainability, nature, and food security; culture, heritage, and the arts; global leadership and strategic influence; and personal growth and resilience.
